Subject: Notification of New Pipeline Construction
Blacksburg Pipeline

Dear Ms. Boyd:

Patriots Energy Group (PEG) is working with our Contractors to clear and install approximately 26,400 feet of 16" natural gas pipeline near Blacksburg, South Carolina. This pipeline will begin at our current York Road station, near the intersection of Highway 5 and Loves Farm Road, and terminate at the Kings Creek station near Walker Road.

Initial cost estimates show that this project will exceed the \$500,000 threshold established in the Commission's Rules and Regulations 103-412.2.7 under "New Construction".

Please consider this letter as notification that PEG will begin pipeline construction for this project within the coming weeks. It is expected the duration of this work will extend to mid-December. PEG will copy the Office of Regulatory Staff (ORS) and will work with their office for any further correspondence requested.

If you have any questions, please contact me at (803) 323-5357.

Sincerely,

Terry Adams
Facilities Superintendent, PEG
